Installation Type	Freestanding

Technical Data	
Lid Material	Steel
Lid Type	Flat Slot Top Access Hole
Liner Material	Plastic
Material	Expanded Steel Steel
Shape	Round
Style	Stationary
Type	Outdoor Recycling Bins Recycling Bins
Usage	Outdoor

Notes & Details

Enhance the efficiency and functionality of your outdoor waste management system with this Lancaster Table & Seating 36 gallon heavy-duty round black expanded steel outdoor trash can with recycling lid. Crafted from durable, double-coated thermoplastic expanded steel, this 36 gallon can is built to withstand heavy use in outdoor environments. The included rigid plastic liner ensures easy waste disposal and maintenance, while the flat lid keeps trash mostly concealed and helps keep it contained within the can. Marked with a universal recycling logo, this lid features a slot for paper and a can / bottle hole for aluminum, glass, and plastic for simple waste sortation. Ideal for parks, municipalities, and schools, this heavy-duty trash can is designed to withstand the rigors of outdoor use and maintain a clean, organized appearance.

Featuring a convenient open lid design, this trash can allows for one-handed waste disposal, making it quick and easy for guests or employees to discard recycling. The lid also lifts off easily, providing hassle-free access to the plastic liner for efficient bag changes. With its heavy-duty construction and practical design, this outdoor trash can is a reliable solution for keeping public spaces clean and tidy. It also includes leveling feet to ensure stability on uneven surfaces. Upgrade your waste management system with this durable, functional trash can that is perfect for outdoor use in a variety of settings.
