Antimicrobial

Certified by NSF

Notes & Details

This Lavex Pro blue epoxy heavy-duty "S" hook easily attaches two of your wire shelving units together side-by-side for added strength and stability. With a durable, heavy-duty, blue epoxy-coated stainless steel construction, it's sure to hold up under the wear and tear of daily use. Plus, its epoxy coating is antimicrobial, protecting it from bacteria, mold, mildew, and fungi and making it perfect for use in moist or damp environments. This "S" hook is compatible with Lavex Pro blue epoxy heavy-duty wire shelving units (sold separately).
