Notes & Details

Provide convenience for your patrons with this Lavex paper towel dispenser. This high-quality dispenser features a sleek titanium finish to complement most restroom interiors and fixtures. It is coated in premium paint to maintain an attractive, high-end appearance, and it features a durable plastic construction made with recycled materials. It accepts paper towel rolls up to 8" in diameter and 8" high (sold separately). It is easy to install with the included mounting hardware. Plus, it includes a lock and key to prevent unauthorized access.

This dispenser's center-pull design distributes a single sheet at a time to prevent overconsumption and ensure guests only touch the towel they're using. It has a front viewing window and transparent sides to easily keep track of the paper supply and know when it's time to refill. Its dispenser nozzle can be pulled forward and out of the way for hassle-free paper loading. Great for commercial restrooms and handwashing stations, this reliable dispenser is perfect for quick, convenient paper towel dispensing.
