## Notes & Details

Streamline your transportation process with the Lavex Pro 24" x 36" heavy-duty steel platform truck! Crafted from durable heavy-duty steel, this platform truck is built to withstand rigorous use. The 24" x 36" smooth platform minimizes scuffs and abrasions during transport so that your items arrive at their destination in great condition. Equipped with (2) 8" swivel casters with brakes and (2) 8" fixed casters made of polyurethane, this platform truck offers optimal mobility, making it easy to maneuver heavy loads across various surfaces.

The ergonomic steel handle guarantees comfortable and safe handling, while the truck's impressive 2,500 lb. capacity allows you to transport sizable loads with ease. This platform truck is designed for long-lasting use, with an increased deck height for added convenience. Additionally, the bumpers attached to the front corners prevent the truck from marking walls, ensuring both the truck and your workspace remain in top condition. Invest in the Lavex Pro 24" x 36" heavy-duty steel platform truck for a reliable and efficient solution to your handling needs.
