

Heavy-Duty Plastic Slim Cans

Model

475WH23BK | 475WH23GY | 475WH23DGN | 475WH23GNCMP |
475WH23RD | 475WH23YL | 475WH23BG | 475WH23BR |
475WH23BLREC | 475WH23GNREC

- Excellent, compact solution for waste management in high traffic areas.
- Venting channels reduce the vacuum effect when lifting out trash liners.
- Reinforced rim and base for increased durability.
- Integrated bottom handles for easier lifting and emptying.
- Anti-jam reinforcements so you can stack together for storage and easily separate later.
- Color options comply with HACCP programs and promote a color-coded system.
