Take glass-like beauty anywhere

GLASSWARE

Infinium^R WakeTM premium plastic serveware lets you go big and bold with your presentations, immediately dressing up any table or buffet display. It's lightweight, making it easier for your staff to carry, and the pieces nest to maximize storage space. And like with all Infinium^R products, it delivers the worry-free, replacement-reducing, virtually unbreakable durability of 100% BPA-free TritanTM copolyester.

Features and Benefits:

- Large and lightweight bowls and platters for banquets/ buffets (less physical stress on staff that are carrying the items)
- Trendy bowl shapes
- Two colors available: Clear and Storm
- 5 SKUs in each color (3 bowls and 2 platters)
- Bowls nest for easy and more compact storage
- Textured surface hides scratches and fingerprints
- Texture also provides added grip, great for seniors and children
- Glass-like beauty
- Dishwasher safe, not recommended for use in microwave

Prolonged exposure to sunscreens at elevated temperatures can cause a cloudy layer to form on the surface of the plastic ware. Citrus drinks not recommended as high acidity may damage the product
