

Mastercraft. DUSTLESS WOOD SANDER

Oversized handle Grips

for operator comfort

Flexible Dual Triggers

Left or right hand operation.
Non-conductive, built-in
safety lockouts for
accidental startup prevention.

Heavy Duty Switch

set in a die-cast aluminum
switch box. Won't chip or rust.

Vacuum Cover

Molded of high impact plastic.
Features heavy-duty
holdown clamps with
snap locking springs.

Vacuum Tank

Collects dust during sanding
operations. Equipped with
reusable cloth filter for easy
disposal. Secondary filter and
heat pressure relief valve
protect the vacuum system
which can also be easily
detached for maintenance.

All Steel Triple-Planetary Gear System

Permanently lubricated,
operates with a
1.5 HP motor.

Prepare and restore
interior hardwood floors
efficiently, beautifully
and dust free!

This sander's vacuum
system captures over
90% of airborne
sawdust —
and it's quieter than
standard household
vacuum cleaners.

The top-fill vacuum
design allows the filter
bag to reach maximum
capacity without
losing efficiency.

25 Foot Power Cord

3-wire, with
water-resistant jacket.

**Reinforced Cast
Aluminum Apron**
with lift handle.

**Floating Dust Skirt and
Pad Driver.**
