

Wet and Dry Vacuums

One solution for both wet and dry vacuuming

Expect unprecedented cleaning flexibility from the Clarke® Maxxi II™ 35 Wet/Dry Vacuum. When dust or dirt is your primary issue, the Maxxi II 35 springs into action with powerful dust capture and superior filtration. When you need wet cleanup, the Maxxi II 35 switches gears without missing a beat.

Powerful. Versatile. Reliable.

No more complex filter changes! The Maxxi II 35 has one filter for both wet and dry vacuuming. Featuring three durable components, this innovative filter completely seals the motor, protecting it from dust, dirt and liquids. Job done, simply rinse it off and you're ready to go again.

- Rugged, powerful 1,100 Watt motor maximizes cleaning capacity
- Unique filter system protects motor from water, while ensuring complete wet and dry filtration
- Hinge motor head lifts off for quick access
- “Tip n’ Pour” design makes emptying the tank easy
- Front-mount squeegee enables water pickup both forward and backward
- Foot pedal releases squeegee simply and quickly
- Accessories include 6-foot hose, extension wand, squeegee floor tool, brush floor tool, crevice tool and dusting tool to handle almost any vacuuming challenge
