

VOLLRATH®

MIRAGE® INDUCTION BUFFET WARMERS

Engineered to Empower

An energy-efficient way to expand your menu, our induction buffet warmers are ideal for safe, flameless serving with style.

Mirage® Induction Buffet Warmers

Simplify your buffet presentation with countertop or drop-in Vollrath Mirage induction warmers. Connect up to three warmers with one cord to an outlet; up to five warmers can be supported per 15-amp circuit. With a sleek design, intuitive controls, and thoughtful safety features, these versatile warmers are ideal for a variety of food items and seamlessly fit into any buffet or catering operation.

Features & Benefits

Safety features like overheat protection, pan auto-detection and auto-shutoff extend the life of these units

Sleek, low-profile design and classic black color create an attractive presentation

Low, medium, high and preheat chafers temperature settings are perfect for a variety of foods — no flame required

LED indicator lights keep you informed

Multiple units can be interconnected and operated from the same power outlet, helping to streamline cord management and reduce load capacity concerns

Pair With Induction-Ready Chafers

For high-quality food presentation and easy serving, look no further than our line of chafers. Choose from a variety of styles and sizes, all designed to work with your favorite induction unit.
