Notes & Details

Elevate your dishwashing experience with these Noble Warewashing adjustable 18" undercounter dish machine stands! Each stand raises the working height of your dish machine by 10", for an overall total of 18" of height added when stacked on top of one another. This significantly reduces the need for bending and minimizes back strain for your employees. Crafted from durable stainless steel, these stands are built to withstand the demands of a busy commercial kitchen. Plus, with 2 stands, your dishwashing station can be even more elevated to meet the needs of your kitchen and staff!

Each stand is designed with 4 sturdy feet, which ensures quality sturdiness and control and provides a stable platform for your dish machine. Perfect for dish rooms in bustling restaurants and catering businesses, this undercounter dish machine stand kit enhances efficiency and employee safety. This stand offers additional rack storage space, making it ideal for maximizing organization and efficiency. By raising the dishwasher off the floor, it allows for easier loading and unloading, streamlining the dishwashing process. Experience less strain on your staff and improve overall productivity in your kitchen with this essential accessory.

Kit Includes:

- (2) 10" Dish machine stands
