Notes & Details

This Regency 18" x 41 3/4" shelving cart with 2 baskets is a versatile item that makes transporting ingredients, produce, cleaning supplies, or merchandise an effortless task! A great choice for food service establishments, offices, retail facilities, or warehouses, this shelving cart provides the strength you need in a commercial location, while also being easy to maneuver, thanks to the large handle.

This kit includes (2) 18" x 36" baskets and (1) 18" x 36" shelf, so the operator can transport a variety of different products within the same cart. It's especially useful for restocking produce at a grocery store or market, or even to move fresh linens from room to room at a quaint hotel. Use it to transport large storage bins full of dishes, or a variety of smaller food storage boxes. Plus, thanks to the split sleeve assembly system, the entire unit can be adjusted to accommodate products of varying sizes.

When this unit arrives at the door, it's quick and easy to assemble. Simply install the casters to the posts, attach your split sleeves, and slide the shelf and baskets on top. Designed with the reliability you've come to expect from Regency Space Solutions, this shelving cart is sure to be of benefit at your business.
