Notes & Details

Provide your customers with optimal shopping convenience with this Regency 5.8 cu. ft. red plastic supermarket grocery cart! A perfect addition to delis, supermarkets, bodegas, and any other retail operation where carrying assistance is needed, this cart is just what your shoppers are looking for. Able to carry up to an ample 350 lb., this cart can handle the largest of shopping trips. Thanks to the corner guards that prevent damage to the frame whenever it is bumped into other carts or hard objects, this cart will withstand frequent use in your busy, high-traffic establishment. Plus, its powder-coated finish makes it suitable for short-term outdoor use!

With (2) 5" fixed casters and (2) 5" swivel casters, maneuverability is simple when navigating through tight aisles or around other shoppers. The plastic handle is easy to grip and comfortable for your patrons to push around your establishment. Plus, the cart includes an optional fold-out seating area with a restraining strap for your patrons to seat a child or to place a purse or bag. Whether from leaking products or rainwater, the design of the cart does not allow for any liquid to collect. The durable plastic construction will not rust, making it easy to clean and increasing the longevity of use. This cart also nests together with other like sized carts for easy, space-efficient storage, taking up less floor space. To save time, these carts ship fully assembled.
