- Ships fully assembled and ready to use

Certifications

Certified by NSF

Notes & Details

Save time transporting your bun pans by stacking them on this mobile Regency bun pan truck. With its 100 pan capacity, this truck will maneuver your bun pans easily and quickly. Even when used as stationary storage for unused pans, the truck will help you save space and be ready to roll whenever you need!

The heavy-duty aluminum frame makes this dolly dependable and long-lasting so that it can be used regularly in busy restaurants and bakeries. Your floors will especially benefit from the 5" non-marking casters, and the operator will appreciate their smooth design to make moving the rack even more efficient and speedy when navigating through a room full of tall racks storing baked goods. Made of durable aluminum, this truck features a welded construction and ships fully assembled, so you can start using it right away! Perfect for bakeries, hospitals, diners, and hotels, this bun pan truck is a great way to store and transport bun pans.
