Notes & Details

This Regency 16" x 24" four shelf tall enclosed utility cart makes it easy to transport everything from bus tubs to heavy cases of beverages, to dishes, with ease. Its 18-gauge, type 304 stainless steel construction gives this cart excellent durability and a sleek, professional look, making it equally suited for tough janitorial tasks, or working a catered event. And since it's enclosed on 3 sides, you don't have to worry about items falling out as you move the cart from place to place. A set of 20-gauge stainless steel locking double doors provide extra security, and let you keep items fully stowed away until you need them.

It features (4) 16" x 24" shelves, with an extra tall 11" between each shelf. Each shelf can hold up to 340 lb., providing the toughness needed to tackle almost any use. To make it mobile, it comes with a set of (2) 4" fixed casters, and (2) 4" swivel casters, which lock if you need to make the cart stationary.
