Notes & Details

Increase your storage capacity for bulk and heavy items with this Regency 20" x 60" mobile aluminum dunnage rack! Made of durable 1 3/4" square aluminum tubing, this rack has a capacity of 1,600 lb., so you can transport and store heavy sacks of bulk ingredients or cases of food and supplies with ease.

This mobile rack keeps your supplies up off the ground for safety and features 2 fixed casters and 2 swivel casters with brakes, so your staff can easily move it around your facility. This model also has an aluminum pull handle that can be easily installed with the included set screws. To save on shipping costs, this rack ships knocked down and requires some assembly before use.
