Notes & Details

Save time transporting your milk crates by stacking them on this mobile Regency milk crate dolly. Accommodating a 13" x 13" crate or stack of crates, this dolly will maneuver easily and quickly around your commercial kitchens, storerooms, and hallways. Wherever you need to go, this dolly will take you and your supplies there.

The unit boasts a one-piece aluminum construction to withstand high volume use in any environment. Your floors will especially benefit from the 5" non-marking casters, and the operator will appreciate their smooth design to make moving the rack even more efficient. Even when used as stationary storage for unused milk crates, the dolly will help you save space and be ready to roll whenever you need! Capable of holding (1) 13" x 13" crate or a stack of crates, the Regency milk crate dolly will be a welcome addition for your catering and serving staff.
