Notes & Details

For effortless transportation, look no further than the Regency 16" x 16" planter / multi-purpose solid-surface dolly. This dolly boasts a rigid, solid-surface top measuring 16" x 16", which is perfect for supporting heavy planters, equipment, and tools. With a weight capacity of 500 lb., this dolly is perfect for moving large planters and equipment. It also boasts a durable construction that can endure cold temperatures, making it useful during any type of weather.

This dolly includes 5 casters for enhanced maneuverability, making it easy to navigate in tight spaces. For added convenience, it features a grid top to keep boxes and cargo secured in place. Whether you are moving planters or other cumbersome items, this dolly will make the process quicker and easier!
