Notes & Details

This Regency 8" long gooseneck spout is perfect for use as a replacement, or you can use it to change the style of an existing faucet. It measures $11 \frac{13}{16}"$ high with an 8" length, and has a 2 GPM aerator to provide a gentle flow pattern with minimal splashing. Since it features a swing design, you can easily move it out of the way when washing larger cooking vessels. It attaches to the faucet base with a $\frac{1}{2}"$ NPS connection and is designed for use on Regency faucets as a replacement or an upgrade.
