Notes & Details

This Regency cast spout faucet is a perfect addition to any restroom installation, with a familiar and intuitive design, and a classic look that complements a wide range of sinks and design aesthetics. The faucet features a 3 5/8" long cast spout with a .5 GPM aerator, providing plenty of space for hand washing while also creating a gentle flow pattern for minimal splashing. The single lever handle design also makes it easy for guests to get a comfortable water temperature without adjusting multiple handles. With a set of 1/2" NPS inlets on 4" centers, it's easy to install this faucet onto your sink deck or countertop too, while the chrome-plated brass finish makes it a great fit for a wide range of restroom designs.
