Notes & Details

This Regency wall-mount hands-free faucet with 5 3/16" swivel gooseneck spout is an excellent choice when you need a reliable, affordable water fixture for your facility! Simple to install and maintain, this spout is designed for use with knee or pedal valves (sold separately). Featuring a 5 3/16" swivel gooseneck spout, this faucet delivers water exactly where you need it.

Water exits the faucet with a 1.2 GPM flow rate, which creates a soft flow pattern with minimal splashing. This wall-mount faucet connects to the facility water lines with a 1/2" NPS male inlet. The faucet body is made from chrome-plated brass that complements nearly any design aesthetic.
