Notes & Details

If you're looking for a durable end-load bun pan rack at an outstanding price, this Regency rack is the perfect solution for any foodservice application. This rack has a curved top design and heavy-duty aluminum, with six cross supports, for added stability and durability. Its end-loading ability, with 3" spacing between shelves, allows the rack to hold 20 full-size pans or 40 half-size pans. It can support up to 55 lb. per pair of slides and up to 795 lb. total, making it a heavy-duty and durable option for any business. The 5" polyurethane non-marking casters enable a quiet, smooth ride while avoiding leaving marks on the floor.
