Material	Metal Wire Steel
Type	Components Wall Brackets
Usage	All Environments Dry Environments Front of House Garage Moist Environments Retail Stock Rooms Warehouse

Notes & Details

As part of the Regency Space Solutions wire shelving collection, this 24" deep wall mounting bracket is designed to adjoin two Regency Space Solutions black epoxy wire shelves for wall mounting. They feature a 1/4" diameter epoxy-coated steel wire for maximum durability and strength. Ideal for use in humid or damp environments, this black epoxy shelf bracket is specifically constructed to work with any length of 24" deep Regency Space Solutions wire wall shelving.

Assembly is fast and easy so that it can be used shortly after delivery. For secure installation, the wall bracket comes with concrete installation mounting hardware. If mounting to a surface besides concrete, appropriate mounting hardware must be purchased separately.
