Notes & Details

Display your finest wine and champagne with this Regency 14" x 48" 3 shelf 33-bottle wire wine rack with 34" posts! This dependable wine rack is perfect for displaying or storing wine products at your restaurant, bar, winery, or retail store. Plus, thanks to its sturdy metal construction and gripped feet, you can rest assured this unit won't wobble or slide while holding your wine bottles! This unit works great in dry storage areas or can be displayed in front of the house settings while keeping aesthetics and functionality in mind. This shelving kit includes everything you need for a quick installation right out of the box, making it a great product for your high-volume needs. With (3) 14" x 48" wire wine shelves featuring a grooved slanted design, each wine bottle will be securely held on its side, preventing the bottles from rolling or damaging when adding or removing an item. This feature allows the bottles to lay in the preferred horizontal position, which keeps the cork moist and prevents air from entering and altering the flavor of your wine. Each wire wine shelf can hold up to (11) 750 mL wine bottles, ensuring you'll always have wine on hand for an excellent presentation!

This wine rack also includes (1) 14" x 48" NSF chrome wire shelf that attaches to the top of your unit for added storage. This additional shelf allows you to position featured wine bottles, menus, decor, and merchandise on your wine rack. This shelf is constructed of durable chrome-plated metal that can hold up to 600 lb. of evenly distributed weight. The shelf's high weight capacity helps this rack be a reliable, long-lasting solution for your business! Plus, its wire design ensures ample airflow around products, keeping the area well ventilated for long-term storage. To maximize the benefits of this wire shelving unit, your establishment can utilize this additional shelf to offer wine tastings for guests or as added storage space for inventory. In addition to displaying your wine bottles, this shelving unit can conveniently hold your stemmed glassware with the (8) 14" stemware holders. Each chrome stemware holder attaches to the underside of your wire shelves to securely hold wine glasses, saving you valuable storage space and time! Glasses slide easily in and out of the stem holder's opening slot for quick access. Glasses slide easily in and out of the stem holder's opening slot for quick access. This holder conveniently hangs glasses upside down to prevent dust, germs, or debris from falling into the bowls of your glasses.

Assembly is made quick and easy by utilizing the included (4) 34" NSF chrome posts and adjustable footing. Each chrome post creates a stable base for your wire shelves, giving you peace of mind when storing wine bottles in bulk. For added convenience, customize and adjust the shelf spacing using the split sleeves to accommodate items of various sizes. This unit can also easily accommodate uneven surfaces using the attached leveling feet on each post. These posts are to be used with the included feet and are not compatible with casters. Thanks to this product's durable chrome wire construction, it provides you with years of long-lasting use. Plus, its epoxy coating gives it a sleek look and extra protection for placement in dry environments. Whether you're looking to use this unit in your liquor store, winery, restaurant, or bar, you'll always be prepared for service. This Regency wire wine rack is just what you need to store and display your best wine!
