Notes & Details

Trust this dependable Regency 18" x 24" x 64" chrome baker's rack wire shelf with hardwood cutting board for all your prep and dry storage needs. With this baker's rack, you get a convenient storage solution that's space-efficient and perfect for any dry storage application. Each commercial-grade shelf is constructed of durable chrome-plated metal for maximum longevity. As a result, it makes for a reliable, long-lasting solution perfect for business applications.

This baker's rack includes (2) 18" x 24" chrome wire shelves, perfect for storing equipment, disposable paper products, or cleaning supplies, and can hold up to 600 lb. of evenly distributed weight per shelf. The high weight capacity of each included shelf helps accommodate business growth as storage needs evolve and product inventory expands. Plus, its wire design ensures ample airflow around products, keeping the area well ventilated for long-term storage. This Regency baker's rack not only makes a great storage solution, but also makes a versatile workstation, with a 18" x 24" x 1/2" hardwood cutting board insert, making it ideal for a variety of tasks, including chopping vegetables and fruits, prepping batters, and providing your staff with additional workspace. For additional overhead storage, a 12" x 24" chrome wire cantilever shelf is included, which can accommodate up to 150 lb. of weight, making it great for storing paper products, linens, cooking utensils, or back-up office supplies. It features a retaining ledge around the perimeter to prevent its contents from sliding off. For even more space efficiency, this baker's rack includes a 18" chrome hanger rail and (6) 2 1/4" x 3 1/2" large chrome snap-on J-hooks that are fully adjustable to accommodate textiles, pots, pans, and serving utensils, creating an overhead storage solution without drilling into the wall.

Assembly is made quick and easy by utilizing the included split sleeves per shelf with the (2) 34" chrome posts and (2) 64" chrome posts included in this kit. Simply snap the two sides of the sleeve together at one of the incrementally spaced notches and slide the corner ring of the shelf over the sleeve. If you later wish to reconfigure the shelves, it's as easy as removing the sleeves and repositioning them as you see fit.

Kit Includes:

- a 12" x 24" chrome wire cantilever shelf
- a 18" chrome hanger rail
- a 18" x 24" x 1/2" hardwood cutting board
- (2) 34" chrome post
- (2) 64" chrome post
- (3) 18" x 24" chrome wire shelves
- (6) 2 1/4" x 3 1/2" large chrome snap-on j-hook
