This kit features (2) 36" chrome garment tube that offers plenty of space for jackets, coats, uniforms, and other hanging garments. Thanks to the included brackets, this garment tube easily attaches below the (2) 24" x 36" chrome wire shelves included in this kit. This garment rack also includes (1) 24" x 36" three sided chrome wire frame which provides ample room for handbags, hats, packages, and other personal items.

Simply snap the two sides of the sleeve together at one of the incrementally spaced notches and slide the corner ring of the shelf over the sleeve.
