## Notes & Details

Ensure that your finest wines and liquors are safely stored with the Regency 24" x 60" NSF mobile chrome wire security cage kit! Thanks to the included casters, it makes cleaning under and around it a breeze! Not only will you be protecting your products from damage or theft, but you'll also be optimizing storage space in your wine cellar or kitchen!

The chrome construction gives this security kit excellent durability, while also being easy to keep clean and sanitary. This unit is for use in dry environments with low humidity, making it perfect for storing your finest wines, bulk goods, or even heavy prep tools. In addition, an open wire design minimizes dust accumulation and provides increased visibility of the unit's contents, ensuring easy cleaning and organization. And, for added convenience, the space between the shelves is adjustable, giving you the flexibility to store items of varying heights with ease.

Each shelf boasts a 450 lb. weight capacity, which offers you the ability to store virtually anything you wish in this secure, reliable unit. For easy assembly, the posts come caster-ready for quick on-site attachment, with a clear epoxy coating for long-lasting use.

**Kit Includes:**

- (4) 24" x 60" shelves
- (4) 64" posts
- (4) 5" polyurethane casters with brakes
- (1) security cage
