Notes & Details

As part of the Regency Space Solutions wire shelving collection, this 24" deep wall mounting bracket is designed to adjoin two Regency Space Solutions chrome wire shelves for wall mounting. They feature a 1/4" diameter chrome-plated steel wire for maximum durability and strength. Each bracket is specifically constructed to work with any length of 24" deep Regency Space Solutions chrome wire shelving.

Assembly is fast and easy so that it can be used shortly after delivery. For secure installation, the wall bracket comes with concrete installation mounting hardware. If mounting to a surface besides concrete, appropriate mounting hardware must be purchased separately.
