Notes & Details

Use this Regency 54" black epoxy mobile shelving post to help outfit your facility with convenient storage! When combined with Regency black epoxy shelves and accessories (sold separately), this post enables you to create a customized storage space to best meet your facility's needs. Thanks to its interval markings, this post not only allows you to adjust your shelves after your shelving unit has been assembled, but also ensures that you can accommodate items of various shapes and sizes.

In addition to being ideal for dry storage environments, this post is also suitable for use in walk-in coolers, warewashing areas, and other moist environments. Plus, it comes ready for easy on-site attachment of rubber or polyurethane casters (sold separately), enabling you to move and transport your storage with ease. Combining high-quality construction and exceptional durability, Regency shelving delivers the long-lasting convenience and value that your business needs and expects.
