Notes & Details

As part of the Regency Space Solutions' wire shelving collection, this 12" x 30" chrome wire shelf is great for use in dry storage and heated environments. It's made of a durable, chrome-plated metal,. The shelf's vented design enables proper air circulation, so it won't collect dust as quickly. Plus, its high-quality design is commercial-grade and delivers the reliable performance every business expects and needs.

When combined with additional shelves, posts, and accessories (sold separately), this Regency chrome wire shelf is capable of holding up to an impressive 600 lb. of evenly distributed weight. Such capacity helps the shelf accommodate business growth as storage needs evolve and product inventory expands. Each shelf purchased comes with 4 pairs of split sleeves that are used to attach the shelf to its compatible posts (sold separately).
