Notes & Details

Keep your storage area organized with the Regency 12" x 48" NSF chrome wire 4-shelf kit with 74" posts. The kit includes (4) 12" x 48" wire shelves and (4) 74" posts, which allow you to create a convenient storage solution for your janitorial closet, warehouse, or walk-in cooler. Made of sleek, durable chrome, this unit is ideal for use in your business's merchandising and display spaces or in back-of-house dry storage areas. The shelving kit's high-quality, commercial-grade design is built for maximum longevity, ensuring a lasting, multi-purpose investment that's sure to accommodate your ever-evolving needs.

Each shelf accommodates up to 600 lb. of evenly distributed weight and features a wire construction that allows for proper airflow around the stored supplies, products, or ingredients. They're adjustable, too; since the posts are marked in intervals and use a split sleeve system of assembly, the shelves are easy to move higher or lower along the posts. This is especially great for expanding businesses that may not have finalized their product offerings. Additionally, a set of 16 split sleeves for a quick and easy assembly. This shelving unit requires assembly.
