Notes & Details

Keep your storage area organized with the Regency 12" x 60" NSF chrome dunnage shelf! This kit includes a 12" x 60" wire shelf and (4) 8" posts, which allow you to create a convenient storage solution for your janitorial closet or warehouse. Made of sleek, durable chrome, this unit is ideal for use in your business's merchandising and display spaces or in back-of-house dry storage areas. The shelving kit's high-quality, commercial-grade design is built for maximum longevity, ensuring a lasting, multi-purpose investment that's sure to accommodate your ever-evolving needs.

The shelf features a wire construction, which allows for proper airflow around the stored supplies, products, or ingredients. It's adjustable, too; since the posts are marked in intervals and use a split sleeve system of assembly, the shelf is easy to move higher or lower along the posts. This is especially great for expanding businesses that may not have finalized their product offerings.

4 pairs of split sleeves are provided, and this shelf accommodates up to 450 lb. of weight. Likewise, a foot is provided for each post and must be used for proper installation. The shelving unit requires assembly.
