## Notes & Details

Keep your storage area organized with this Regency 21" x 24" NSF chrome dunnage shelf. This unit includes (1) 21" x 24" wire shelf and (4) 8" posts, which allow you to create a convenient storage solution for your restaurant, hotel, bar, warehouse, or garage. Since this dunnage rack has a sleek chrome finish for increased longevity, it's the perfect choice for use in any dry storage or display environment with minimal humidity. Able to accommodate an impressive 600 lb. of evenly distributed weight, this unit's shelf can be used for displaying everything from light weight boxes of pastries to heavier items like cans of ingredients. Plus, the posts include adjustable leveling feet to make it easy to accommodate slanted, uneven surfaces.

This dunnage rack boasts an attractive wire construction that works well in front-of-house merchandising as well as display spaces in your boutique, market, or other business venue. Its wire shelf also does a great job of facilitating proper airflow around your stored supplies, helping to prolong the shelf life of food. Plus, since the posts are marked in regularly-spaced intervals and use a split sleeve system of assembly, the shelf is easy to move higher or lower depending on your organizational needs. This kit is especially great for expanding businesses whose needs evolve as their product inventory expands!
