## Notes & Details

Maximize your establishment's storage and display space with this Regency 24" x 36" chrome 4 basket and 1 shelf kit! This kit includes 4 basket shelves, 1 flat shelf, and (4) 74" posts to create a convenient storage solution for your retail store, restaurant, warehouse, or hospital. Its durable, chrome-plated metal construction ensures long-lasting use in your establishment.

This unit features 1 flat shelf for easy accessibility, and 4 basket shelves with 4 1/2" high walls to help prevent your products from falling out. With an open wire design, these shelves ensure proper airflow around your stored supplies, products, or ingredients. They're adjustable, too; since the posts are marked in intervals and use a split sleeve system of assembly, the shelves are easy to move higher or lower along the posts. Each shelf can hold up to an impressive 600 lb. of evenly distributed weight, making it the perfect place for storing bulk ingredients and heavy supplies.

Thanks to the attached leveling foot, each of this kit's 4 included posts can easily be adjusted to accommodate uneven surfaces. These caps also prevent damage and marking to your floors. With its high-quality, commercial-grade design, this unit is sure to deliver the reliable performance every business expects and needs!
