Type	Components

Notes & Details

To safely store your heaviest ingredients and other products, look no further than this Regency 24" x 36" chrome heavy-duty dunnage shelf! The rugged chrome square tubing combines with a wire mat to give you a perfect storage solution for stock rooms and other dry environments, providing the same airflow benefits as wire shelving but with greater strength for heavier storage. With an 800 lb. capacity, this shelf allows you to confidently store your heaviest bags of potatoes, popcorn kernels, flour, and other hefty supplies. For added convenience, the wire mat can be removed for a simple yet thorough cleaning.
