Notes & Details

Organize your retail space with this Regency slanted shelf divider! This durable divider is designed to be used with 24" slanted chrome wire shelving (sold separately), allowing you to create customized compartments. Recommended for use in dry environments including retail settings, this divider is the perfect tool to keep your shelves organized and visually appealing.

Constructed with durable chrome-plated steel wire, this shelf divider is built to withstand the demands of a busy environment. Its 4" separation height ensures optimal visibility of your products, making it easy to find what you're looking for. This chrome wire shelf divider is a must-have to maximize organization and efficiency in your space.
