Type	Shelving Kits
Usage	Dry Environments Front of House Garage Kitchens Retail Stock Rooms Warehouse

Notes & Details

Keep your storage area organized with this Regency 30" x 36" NSF chrome shelf kit! This kit includes (4) 30" x 36" wire shelves and (4) 74" posts, which allows you to create a convenient storage solution for your stockroom, warehouse, or garage. Since this shelving unit has a sleek chrome finish, it is the perfect choice for use in any dry storage or display environment with minimal humidity. Able to accommodate an impressive 600 lb. of evenly distributed weight, each shelf can be used for displaying everything from light weight boxes of pastries to heavier items like cans of ingredients.

Each shelf features a wire construction that does a great job of allowing proper airflow around your stored supplies, which is especially important in ensuring the maximum shelf life possible. Since the posts are marked in regularly-spaced intervals and use a split sleeve system of assembly, the shelves are easy to move higher or lower along the posts. This is especially great for expanding businesses that may not have finalized their product offerings.
