## Notes & Details

Perfect for a variety of commercial applications, this Regency 24" x 60" wall mount green epoxy wire shelf provides convenience, durability, and space-efficient storage. It features green epoxy-coated brackets and a 24" x 60" shelf, making it suitable for dry, moist, or humid environments. Its wire design also ensures ample airflow around its contents, which is particularly important in moist locations. Plus, the shelf accommodates up to 360 lb. of evenly distributed weight and boasts a commercial-grade construction for maximum durability. From the back-of-house to the janitorial closet, the shelf is great for storing and organizing supplies!

Assembly is fast and easy so that it can be used shortly after delivery. For secure installation, the wall bracket comes with concrete installation mounting hardware. If mounting to a surface besides concrete, appropriate mounting hardware must be purchased separately.
