## Notes & Details

Instantly add an extra level of security to your storage space with the Regency 24" x 36" x 61" green wire security cage! This versatile cage wraps around your existing shelving unit in order to provide exceptional protection for your most valuable goods.

Durable, corrosion-resistant green wire construction ensures long-lasting use, while also making it easy to keep clean and sanitary. This item is perfect for storing your finest wines, bulk goods, or even heavy prep tools as it can be used in both dry or humid environments such as walk-in freezers and refrigerators, which means you never have to worry about where it should be placed in your kitchen or storage area. Additionally, an open wire design minimizes dust accumulation and provides increased visibility of the unit's contents, allowing for easy cleaning and organization. For extra convenience, all hardware is included for quickly attaching the cage to your shelving unit, including 14 plate and bolt sets.
