- Concrete installation mounting hardware included
- 18" deep
- Adjoins ends of two shelves

Certifications

Certified by NSF

Technical Data

Style	Vented
Type	Components Wall Brackets
Usage	All Environments Dry Environments Kitchens Moist Environments Walk-Ins

Notes & Details

As part of the Regency Space Solutions' wire shelving collection, this 18" deep wall mounting bracket is designed to hold adjoining Regency Space Solutions green epoxy wire shelves for wall mounting. It features a 1/4" diameter steel wire for maximum durability and a green epoxy coating designed to withstand damp conditions without deteriorating. Each bracket is specifically constructed to work with any length of 18" deep Regency Space Solutions green epoxy wire shelving.

Assembly is fast and easy so that it can be used shortly after delivery. For secure installation, the wall bracket comes with concrete installation mounting hardware. If mounting to a surface besides concrete, appropriate mounting hardware must be purchased separately.
