## Notes & Details

Ensure that your finest meat, seafood, or beer is safely stored with the Regency 18" x 36" NSF mobile green coated wire security cage kit! Thanks to the included casters, cleaning under and around it is a breeze! Not only will you be protecting your products from damage or theft, but you'll also be optimizing storage space in your kitchen or walk in refrigerator!

The green coated construction gives this security kit excellent durability and corrosion resistance, while being easy to keep clean and sanitary. This unit is for use in dry or damp environments, so you never have to worry about where it should be placed in your kitchen or storage area. This also means you can keep cold kegs, sixtels, or cases organized in your walk-in. In addition, an open wire design minimizes dust accumulation and provides increased visibility of the unit's contents, ensuring easy cleaning and organization. And, for added convenience, the space between the shelves is adjustable, giving you the flexibility to store items of varying heights with ease.

Each shelf boasts a 600 lb. weight capacity, which offers you the ability to store virtually anything you wish in this secure, reliable unit. For easy assembly, the posts come caster-ready for quick on-site attachment.

**Kit Includes:**

- (4) 18" x 36" shelves
- (4) 64" posts
- (4) 5" polyurethane casters with brakes
- (1) security cage
