Notes & Details

This Regency 18" x 24" NSF chrome 3-shelf microwave shelving kit with 64" posts is ideal for organized storage in your establishment! Place your existing microwave (sold separately) on the top and use the extra shelves below for storage! Perfect for kitchens, cafeterias, hospitals, break rooms, and dorm rooms, this microwave shelving kit is great in a variety of settings.

This kit includes (3) 18" x 24" wire shelves, (1) 12" x 24" cantilevered shelf, (2) 34" posts, and (2) 64" posts, providing you with everything you need to set up a sturdy shelving unit that not only holds your microwave, but also holds canned goods, kitchen appliances, packaged foods, tools, and supplies. Plus, the unit's high-quality design is commercial-grade and delivers the reliable performance every business expects and needs. The corrosion-resistant epoxy coating is ideal for long-lasting use in dry environments.

Each shelf features a wire construction, which allows for proper airflow around the stored supplies, products, or ingredients. These shelves are adjustable for added display versatility and customization capability. This is especially great for expanding businesses that may not have finalized their product offerings. Each 18" x 24" shelf accommodates up to 600 lb. of weight, while the cantilevered 12" x 24" shelf holds up to 40 lb. of weight. The shelving unit requires assembly.

Kit Includes:

- (3) 18" x 24" NSF chrome shelves
- (2) 64" chrome posts
- (2) 34" chrome posts
- (1) cantilevered shelf
- (1) mat overlay
- (1) chrome hanger rail
