Notes & Details

As part of the Regency Space Solutions' wire shelving collection, this pair of 24" deep wall mounting brackets are designed to mount one Regency Space Solutions chrome wire shelf. They feature a 1/4" diameter chrome-plated steel wire for maximum durability and strength. Each bracket is specifically constructed to work with any length of 24" deep Regency Space Solutions chrome wire shelving.

Assembly is fast and easy so that it can be used shortly after delivery. For secure installation, the wall bracket comes with concrete installation mounting hardware. If mounting to a surface besides concrete, appropriate mounting hardware must be purchased separately.
