## Notes & Details

Use this Regency 17 1/4" x 59 1/4" x 1/2" polyethylene cutting board insert to maximize the benefits of wire shelving in your kitchen or storage area while keeping your operation organized and streamlined. This cutting board is designed to fit effortlessly into 18" x 60" wire shelving. It creates a solid base for your wire shelves that doubles as a cutting board.

This board is made of durable and resilient 1/2" thick polyethylene. The material resists liquid absorption, staining, and odors, as well the unsanitary trapping of food particles that results from scoring. To help you maintain a clean and sanitary kitchen, the board's smooth surface is easy to wipe clean after every use.
