Weight Capacity	1015 lb.

Notes & Details

If your business keeps beverages on tap, you need space-efficient keg storage, and this Regency 6 keg aluminum keg rack provides just that! Holding up to 6 full-size kegs at a time, this sturdy rack features 3 shelves supported by 1 5/16" round posts. The top shelf can hold up to 15 lb. of evenly distributed weight per square foot, making it perfect for storing light weight supplies, such as cases of beer. Each of these shelves adjust along the frame too, enabling you to alter their heights as your needs change and your inventory shifts. Each of the bottom 2 shelves support approximately 500 lb. of weight.

Made of aluminum, the rack is ideal for dry storage of your most popular brews. It ships knocked down to save you money on shipping, and is easy to assemble when it arrives.
