Type	Lug Racks

Notes & Details

This Regency mobile aluminum lug rack is ideal for transporting large quantities of meat, produce, or other raw ingredients from your storage area to your prep area! Designed to hold 1 lug, this rack will fit a variety of businesses' needs, whether that be food items or a lug of dirty flatware or glasses. Whatever your need, easily move your supplies wherever you need them with this lug rack!

This rack is made of 16 gauge 1" x 1" aluminum tubing with 14 gauge angle slides welded to the frame to enhance its overall durability. It features 1 shelf and has 5" heavy-duty polyurethane swivel casters. A braking mechanism comes on two of the casters to prevent unwanted movement during loading and unloading of the lug. To provide you with the best possible savings on shipping costs, this unit ships unassembled.
