Certifications

Freezer Safe

Certified by NSF

Technical Data

Lug Capacity	2 Lugs
Material	Aluminum
Type	Racks with Lugs Included

Notes & Details

This Regency mobile aluminum lug rack is ideal for transporting large quantities of meat, produce, or other raw ingredients from your storage area to your prep area! Designed to hold up to 2 lugs, this rack will fit a variety of businesses' needs, whether that be food items or a lug of dirty flatware or glasses. Whatever your need, easily move your supplies wherever you need them with this lug rack!

This rack is made of 16 gauge 1" x 1" aluminum tubing with 14 gauge angle slides welded to the frame to enhance its overall durability. It features 2 shelves with 9" of clearance between each for exceptional storage capacity. The 5" polyurethane swivel casters provide full range of motion making for moving through tight areas much easier. A braking mechanism comes on two of the casters to prevent unwanted movement during loading and unloading of the lugs. To provide you with the best possible savings on shipping costs, this unit ships unassembled.
