Notes & Details

Ensure your storage area or aisles stay organized with this Regency 36" x 24" x 6" black plastic display base / spot merchandiser. This spot merchandiser is a great way to organize your products or extra supplies to ensure your establishment maintains an orderly system. This display is constructed of durable polyethylene that won't crack, chip, rust, bend, or break, and it offers smooth edges to reduce the chance that your bags and products will rip or tear open. With a 6" height, this merchandiser meets HACCP requirements for food storage, and it offers antimicrobial protection.

Because it is made from plastic, this merchandiser is also suitable for both dry and cold storage areas. It also has an ample 1,000 lb. capacity so it can hold a variety of heavy items. Designed for use on end caps, this merchandiser helps maximize storage space and the sturdy base ensures secure storage. This merchandiser is pallet jack and forklift compatible to make moving and rotating storage exceptionally easy, and it offers 4-way entry. Best of all, this merchandiser ships fully assembled so you can use it right away!
