Notes & Details

Ensure your walk-in, storage area, or warehouse stays organized with this Regency 36" x 22" x 12" black plastic heavy-duty dunnage rack with slotted top. This dunnage rack is a great way to ensure your establishment maintains an orderly storage system. This heavy-duty rack is constructed of durable polyethylene that won't crack, chip, rust, bend, or break, and it offers smooth edges to reduce the chance that your bags and products will rip or tear open. This feature also keeps customers and employees safe from injuries caused by sharp surfaces. Thanks to its 12" height, this dunnage rack meets HACCP requirements for food storage.

Because it is made from plastic, this rack is also suitable for both dry and cold storage areas. It even offers anti-microbial protection to keep your merchandise safe from contamination. Open ends allow easy cleaning beneath while the slotted top allows optimal air circulation so that your ingredients match the temperature of the room they're placed in. This rack has an ample 1,200 lb. capacity so it can hold a variety of heavy items. The sturdy legs ensure stable storage and best of all, this rack is pallet jack and forklift compatible to make moving and rotating storage exceptionally easy. It even ships fully assembled for the ultimate convenience, so there's no need to wait to start organizing your space and streamlining your workflow.
