Notes & Details

Keep food and other sensitive products off the floor while taking up a minimal amount of space with this Regency 48" x 14" x 8" aluminum dunnage rack! The heavy-duty, welded construction features a square tubular design to securely hold up to 1,400 lb. of product 8" off the ground, keeping you in compliance with sanitary health codes. Plus, since it is made of strong and light weight aluminum, rust and corrosion are not a worry.

Whether you need to add storage to your walk-in refrigerator or freezer, or need to store bulk dry ingredients in a storage room, this Regency aluminum dunnage rack will fit the bill. Each of its 4 legs are also fitted with a plastic foot to protect your floors from scratches when the unit is bumped or moved. For use right out of the box, this dunnage rack ships fully assembled!
