Notes & Details

Ensure your walk-in, storage area, or warehouse stays organized with this Regency 24" x 36" x 12" plastic dunnage rack. Dunnage racks are a great way to organize your bulk goods and extra supplies to ensure your establishment maintains an orderly system. This dunnage rack is constructed of durable polyethylene that won't crack, chip, rust, or break, and it offers smooth edges to reduce the chance that your bags and products will rip or tear open. Plus, the 12" height meets HACCP food storage requirements!

It boasts an ample 1,500 lb. capacity so it can hold a variety of heavy items. The sturdy bases ensures stable storage and best of all, this rack is pallet jack and forklift compatible to make moving and rotating storage exceptionally easy. Open ends allow easy cleaning beneath. This rack ships fully assembled so you can use it right away!
